Topic Sentence:

UMSIDA has two different journals, JEES (Journal of English Educators Society) which is new, but more advance and PEDAGOGIA that has been exist longer than JEES, and has many contents, make differences in making available articles including the style, the view and especially the contents.

I. Journal Description

JEES (Journal of English Educators Society) is a journal published two times a year in April and October. The articles basically contain any topics concerning with English Education, Literature, and Linguistics. JEES is available in online version which uses English. While, **Pedagogia** Jurnal Pendidikan is a journal published two times a year in February and August. The articles basically contain any topics concerning with primary education, conceptual articles, reviews of new books and obituaries in the field of elementary education teaching science. Language used in this journal is Indonesian or English.

II. Content of Article

Pedagogia, This study aimed to describe English learning problems reported by the learners as non – English Department students during the classroom activities. And JEES, This study aims to describe the exchange students' self-efficacy on their writing competence.

III. Method

Pedagogia, This study applied qualitative research method and use observation, recording, and questionnaire as the instruments. While **JEES**, Descriptive study was implemented by distributing closed-ended questionnaires in addition to interview and the result of writing task.

IV. Significance

JEES sets properly and has good view. For publishing, JEES oftentimes more advances which has Official Partner (Publons and Crossref). It also gives many benefits for the articles. In the content, It uses English completely and gives cases which facilitate the reader to think wisely and critically.

Concluding sentence:

When the two journals provide many articles with different style, view and profit, which one do you prefer? The fresh journal publisher which gives many advances or the long standing with many various contents?

1. Point by Point Method

UMSIDA has two different journals, JEES (Journal of English Educators Society) which is new, but more advance and PEDAGOGIA that has been exist longer than JEES, and has many various articles. Both of JEES (Journal English Educators Society) and PEDAGOGIA have various differences in making available articles including the style, the view and especially the contents which can be chosen by reader depend on the necessity. Different with Pedagogia, JEES sets properly and has good view. For publishing, JEES oftentimes more advances which has Official Partner (Publons and Crossref) and the article will get many benefits such as: Having DOI (Digital Object Identifier); Preserved in LOCKSS, based at Stanford University Libraries, United Kingdom, through PKP Private LOCKSS Network program; and Indexed in several indexing services. In articles of JEES, especially in Megawati (2016b), This study aims to describe the exchange students' self-efficacy on their writing competence with specific case. Descriptive study was implemented by distributing closed-ended questionnaires in addition to interview and the result of writing task. Because of the specific case, it makes the reader think wisely and critically and facilitates the readers to apply the method in their real life easily. While in pedagogia Megawati (2016a), the study aimed to describe English learning problems reported by the learners as non – English Department students during the classroom activities. This study applied qualitative research method and use observation, recording, and questionnaire as the instruments. The case is common and the method need much preparation and rather complicated. For learner English JEES is more effective because using English completely, while Pedagogia uses bilingual, but it is established longer than JEES and has been contain of many various.. So, when the two journals provide many articles with different style, view and profit, which one do you prefer? The fresh journal publisher which gives many advances or the long standing with many various contents?

2. Block Method

UMSIDA has two different journals, JEES (Journal of English Educators Society) which is new, but more advance and PEDAGOGIA that has been exist longer than JEES, and has many various articles. Both of JEES (Journal English Educators Society) and PEDAGOGIA have various differences in making available articles including the style, the view and especially the contents which can be chosen by reader depend on the necessity. JEES sets properly and has good view. For publishing, JEES oftentimes more advances which has Official Partner (Publons and Crossref) and the articles get many benefits such as: Having DOI (Digital Object Identifier); Preserved in LOCKSS, based at Stanford University Libraries, United Kingdom, through PKP Private LOCKSS Network program; and Indexed in several indexing services. In the article, especially in Megawati (2016b), its language thoroughly uses English which is so useful for English learner. This study aims to describe the exchange students' self-efficacy on their writing competence. Descriptive study was implemented by distributing closed-ended questionnaires in addition to interview and the result of writing task. Because of the specific case, it makes the reader think wisely and critically. It also facilitates the learners to apply the method in their real life. On the other hand, Pedagogia (Megawati 2016a) has many visitors from different countries. It is established longer than JEES and has been contain of many various. This study aimed to describe English learning problems reported by the learners as non – English Department students during the classroom activities. This study applied qualitative research method and use observation, recording, and questionnaire as the instruments. So, when the two journals

provide many articles with different style, view and profit, which one do you prefer? The fresh journal publisher which gives many advances or the long standing with many various contents?
