	vocabulary of each student
--	----------------------------

Concluding sentence:

In the Pedagogia learning English many difficulties that can could be discovered. Because the English was remained in use. Possible in use with certain people who can be English lovely. For example its like we meet with overseas or Indonesian people who can speak English. In the Jees writing skills are indispensable because to make our writing better.

Full Paragraph

1. Point by Point Method

Jees have orange color color with combination with black color. While Pedagogia have a cover colored orange with gold and white color combinations. Jees has 2 readers from overseas and 6 readers from state while Pedagogia having 3 readers from east java and 1 reader from central java. Jees have 3 parts in making journal and one of the member comes from Lebanon. Pedagogia have 5 parts in the making journal and all members from "UMSIDA". In this Jees using descriptive method and also in pedagogia using qualitative method. In the JEES journal have 2 different points to discuss this years that is : in 2017: Vol 2, No 2 (2017), October and Vol 2, No 1 (2017), April. While on 2016 : Vol 1, No 2 (2016), October and Vol 1, No 1 (2016), April. While in the Pedagogia journal have 7 different points to discuss this years that is : 2017 : Vol 6, No 2 (2017), Agustus and Vol 6, No 1 (2017), Februari. While 2016 Vol 5, No 2 (2016), Agustus and Vol 5, No 1 (2016), Februari and other can be viewed in the top column. Conclusion of Jees that is By writing we can produce a good journal. After reading I can know how to journal how and how to write a journal we can test our skill in the write how is it good or vice versa. And while conclusion of Pedagogia that is A lot of kinds of understanding students in studently learning English. For example the lack of use of vocabulary, hard to understand listening lessons that in because we rarely listen to people speak English, less daring to speak English in because we lack confidence and fear of wrong talk.

2. Block Method

Jees journals have an orange cover with black color combinations. In making the editorial journal team in divided into 3 parts one of which is derived from Lebanon. Jees readers consisting of 6 readers from Indonesia own country and 2 other readers come from abroad. In the Jees journal have 2 point to discuss that is 2017: Vol 2, No 2 (2017), October and Vol 2, No 1 (2017), April. While on 2016 : Vol 1, No 2 (2016), October and Vol 1, No 1 (2016), April. Jees contents of the Jees journal is Jees I can know that writing can generate a journal and publish it. Because it's important that we learn to write journals. But if we want to publish it must use good languages. In this journal used Deskriptif method because in this method which explain that every student should think to imply writing better than the previous one.

Pedagogia journal cover that is orange with gold and white combination. Pedagogia journal using Qualitative method. While the Pedagogia journal has 7 points to discuss. The readers of this

Pedagogia journal there are 3 who came from east java and there is also a readers who came from central java. In the making of Pedagogia journal has 5 section in the editorial team and they all come from UMSIDA. Pedagogia contents of the Pedagogia journal is Pedagogia tells about how difficulties students learn English. Students tend to choose writing and while passive students tend to choose speaking because they find it more difficult. Why they consider it difficult because they mastery using vocabulary is still very less. In college even though we do not take the English majors we are still required to take these subjects because they will also take the TOEFL exam which level of assessment is very high.
